---------------	--------

9 Planning

None

10 Reports of meetings of Outside Bodies

None

11 Items for information:-

None

12. Other Items

12.1 Village Name Signs and speed limit repeaters

Clr Wilkins said he would contact Highways at DCC to understand what limitations the Parish Council had if the chose to replace the existing Village signage and to possibly replace them with “gateway “ type signs.

Additionally he would also chase up the replacement of the current oak post repeater signs that were rotten and had collapsed.

12.2 Riperian Rights

The Parish Council believed that The County Council had recently updated the Flood Awareness document of 2015 that included Riparian Rights and responsibilities

A riparian landowner is defined as someone who owns land or property next to or over a river, stream, ditch or culvert/pipe that forms part of a watercourse. The riparian landowner is responsible for the section of watercourse which flows through their land. If a land boundary is

defined next to a watercourse, it is assumed that the landowner owns the land up to the centre of the watercourse, unless it is owned by someone else. A length of watercourse can have several riparian landowners, each responsible for a section of a watercourse

Clr Bull was to be asked if was correct and that it had been distributed to all and owners

Action Clr Bull
